We will hold a virtual lottery this year. As such, please be aware of the below important items about the lottery and registration process:

Lottery winners will ***be posted at the lottery location itself and at each respective campus after the lottery is held.*** Winners will also receive an automated phone call from the campus of the next steps for registration within 24 hours of the lottery itself. At such time, you will have two business days to log in to your Smart Choice account where you submitted your application to Accept or Decline placement in the system. Registration for all campuses will begin on February 27, 2023. From this date, you have 10 business days to submit all required documentation. A list of required documents and step-by-step instructions are available on our school website and from our Front Office team.
